

Serhii Piddubnii

Front-end developer

✉ piddubnii.s@gmail.com ☎ +380675869418 📍 Kyiv

Profile

I am passionate about creating elegant and efficient user interfaces. With 3+ years of experience in web development, I have a solid foundation in front-end technologies such as JavaScript and Typescript. I specialize in React and have experience working with Redux, MobX, Apollo GraphQL and other complementary libraries and am always seeking to learn new technologies and techniques to improve my skills.
